

MAY FAIR SPA

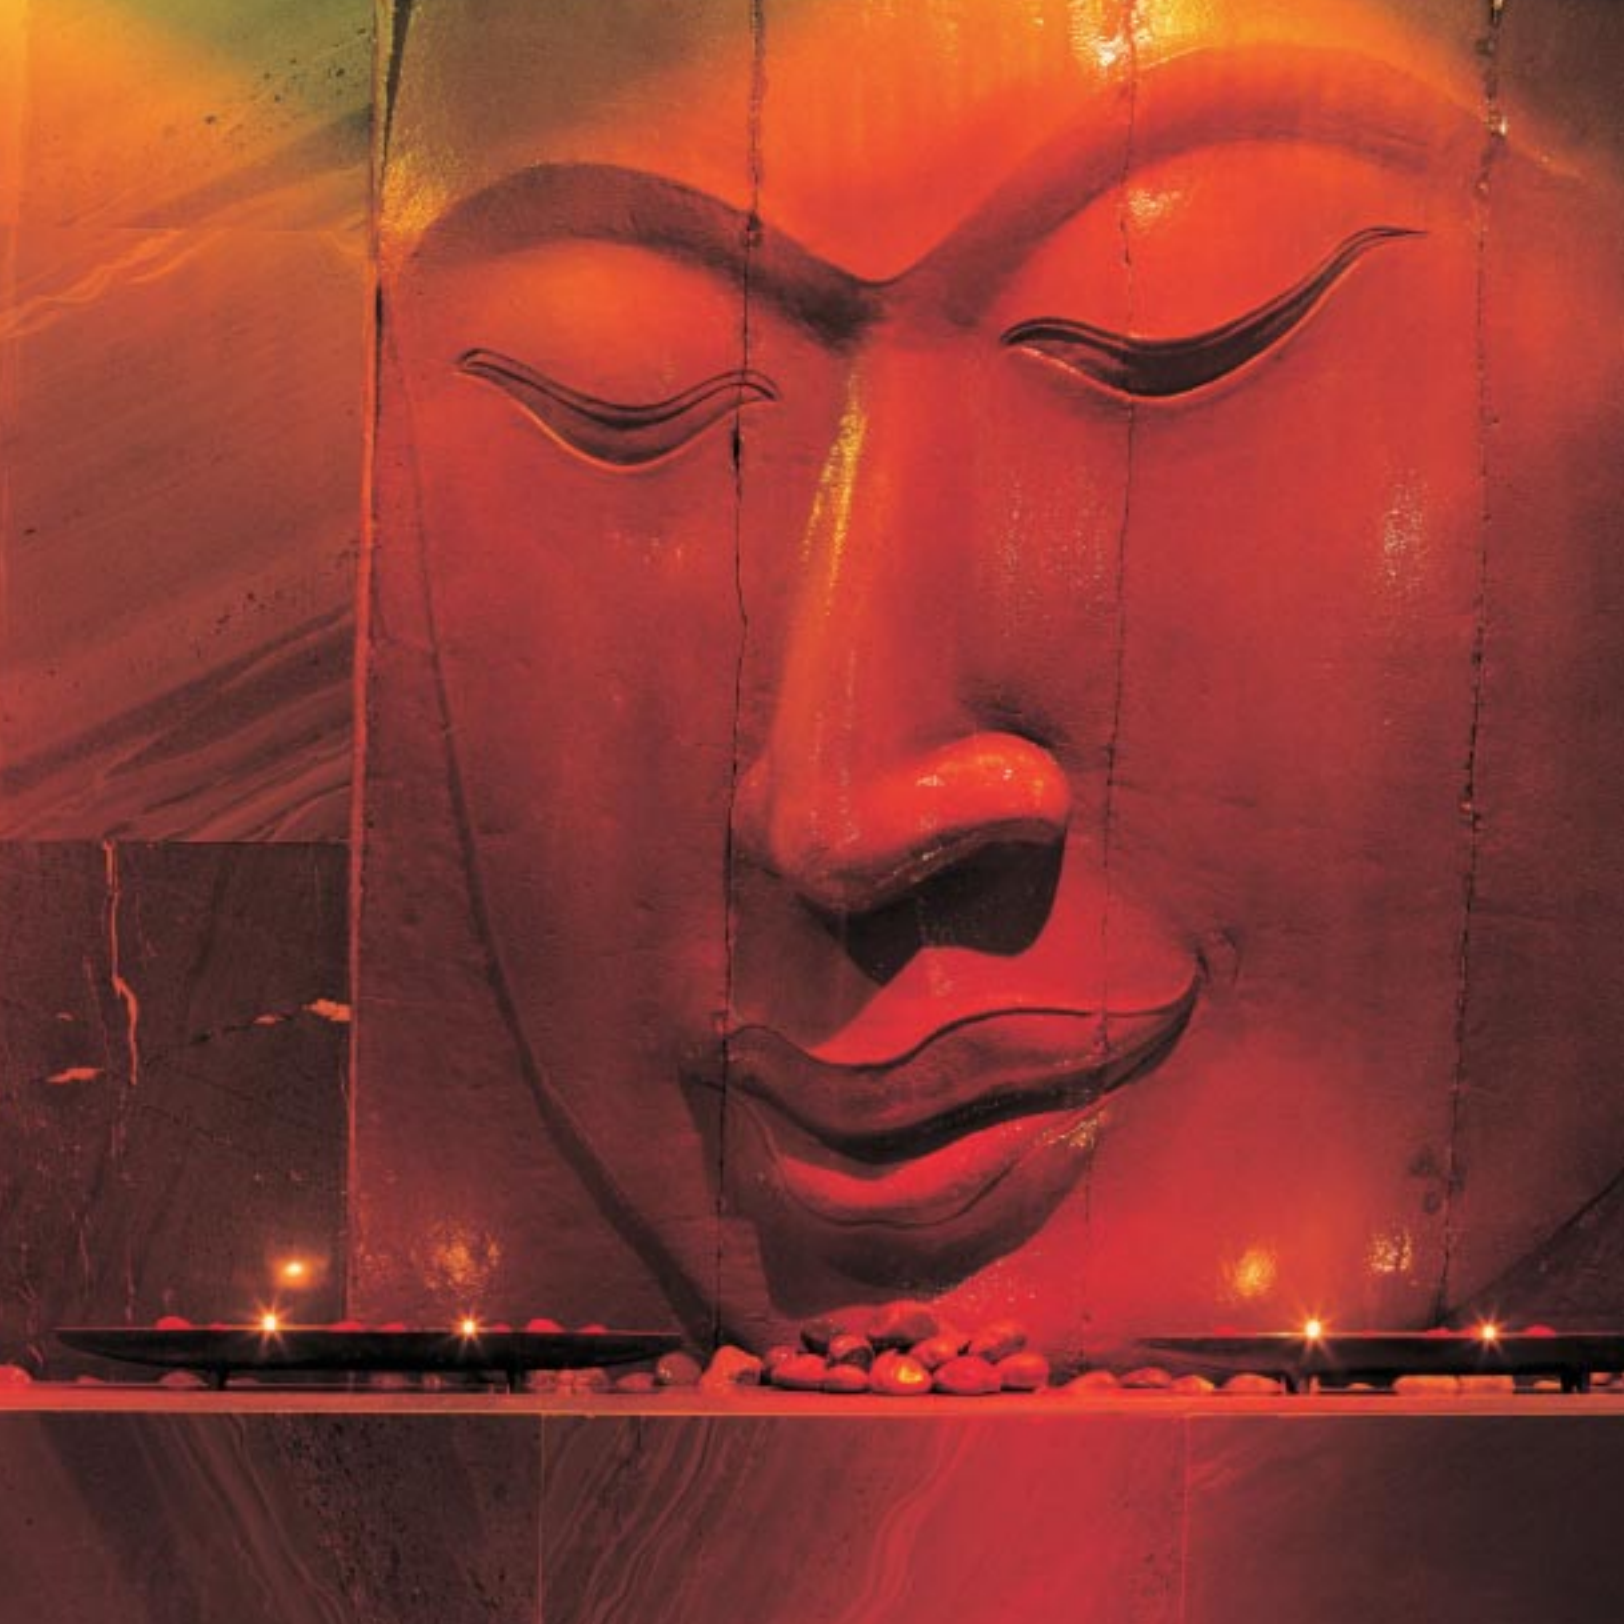

FOR BODY AND MIND

BREATHE

Welcome to a discreet inner sanctuary.

Where time is put on hold, so you can drift through the sauna, steam and relaxation rooms before sinking into your treatment.

And where slowly, gently, you can untangle and unwind.

SERENITY

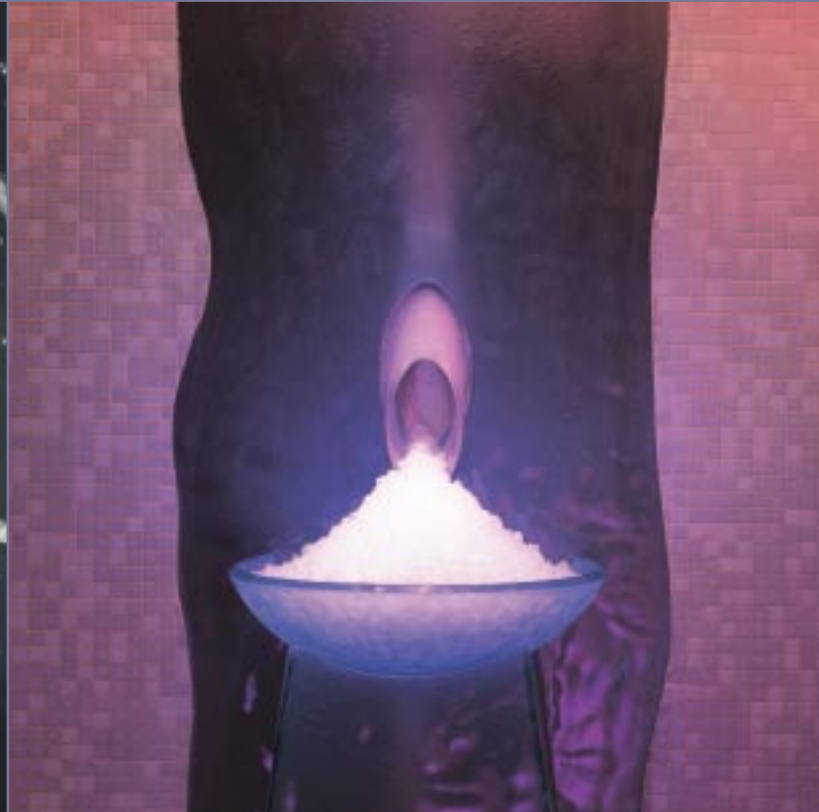

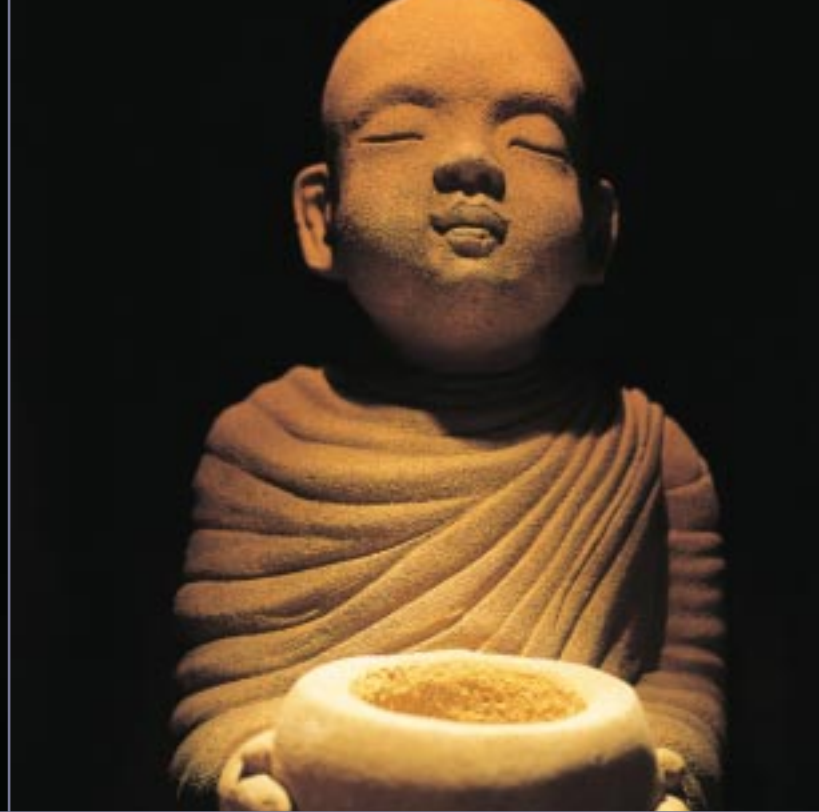

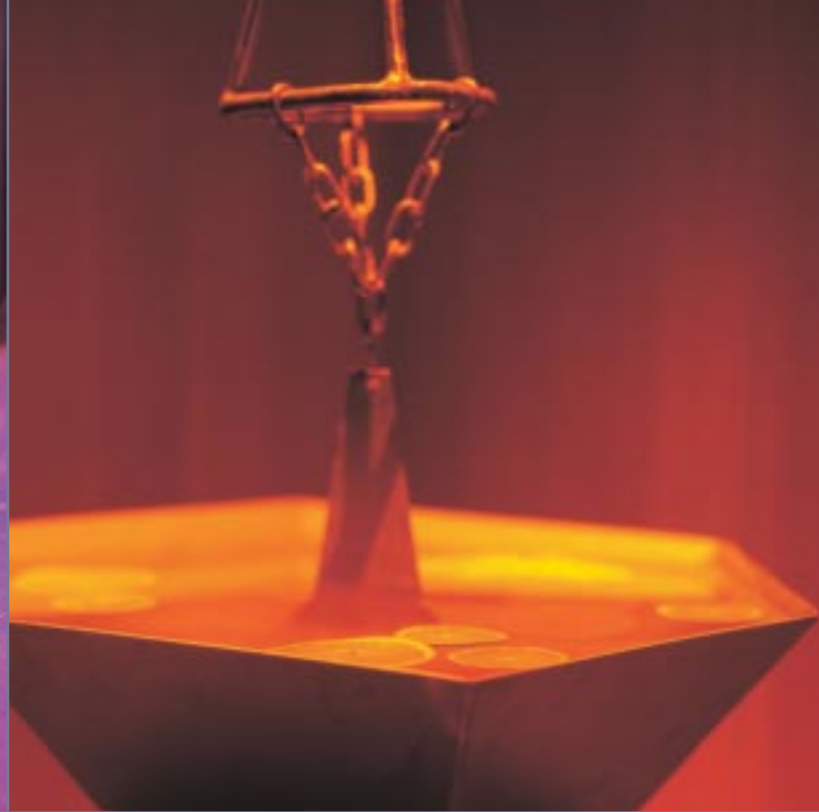

Smell the jasmine-scented waters as they trickle over slate and sculpture.

DELIGHT

In a private inner chamber, beneath twinkling midnight lights, smooth velvety mud all over for soft-as-cashmere skin.

CLOUD NINE

Who says girls have all the fun?

DRIFT

Time stands still. Shhhh.
Do nothing. Let us do everything for you.

COMPLETE

A rare, rich feeling indeed.
For body and mind.
