Vibrant. Cosmopolitan. Cool. That's Birmingham. Stylish. Contemporary. Designed. That's Mica Point. Work. Shop. Dine. Drink. Dance. Workout. Relax. It's all on your doorstep.

Birmingham is a city of choices. Great shopping - Selfridges, Harvey Nichols and the Mailbox right on your doorstep. Rich culture – theatre and concerts a stone's throw away. Buzzing nightlife – and no need to call a cab.

Be at the heart. You're just moments away from where everything's at. And if you do want to go further, New Street station is just a 5 minute walk away.

about us

Inspace Homes is an exciting residential developer that always puts the customer at the heart of what we do,

We are one of the UK's largest construction and development businesses, that provide desirable living space for today's demanding home-owners.

Specialising in creating quality homes in popular urban locations, Inspace aims to translate our aspirations for modern living into homes that combine contemporary designs with affordability and convenience.

Supporting this, is the experience and heritage of a parent company with over 30 years of successful house building to its name.
