

Have you ever  
wondered if there is  
something missing  
from your music?

### the future of music

For the first time ever, the new Klimax DS from Linn lets you hear all of the music without losing any of the performance.

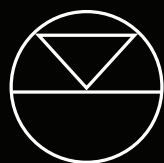

Linn deliver the very best sound quality through uncompromising, innovative design and precision engineering.

Klimax DS - the world's first authentic and highest performance digital music player will change the way you enjoy music, forever.

**No one can imagine how incredible a Linn system sounds so stop wondering and start listening.**
